

Course: Introduction to Japanese Language & Culture

SENSEI SENA

If you are looking for an enjoyable, result-driven experience, please join my class. I'm a native Japanese who loves to teach. With a vast experience in teaching and working with children and adults, I always get a smile when I see my students learn and improve while having fun. In this unique Japanese class, I will use memory tools to help you learn as you have fun on this Japanese cultural journey. This is a perfect course for a beginner to learn Japanese. Come join me to create new experiences, learn, and grow your Japanese knowledge!

Course Description:

This course is designed for Japanese beginners. Students will learn introductions, basic greetings and conversational skills that can be used in everyday life, such as, while shopping, ordering food at a restaurant, and communicating in a work environment. Students will also learn the Japanese writing forms of Hiragana, Katakana and some basic Kanji. Beginner 1 & 2 cover the same topics, but Beginner 2 encompasses more details. Students will learn basic Kanji at Beginner 2.

Course Textbook/Study Materials:

You do not need to purchase a textbook for this course. Study materials will be provided every week before the start of each class, but I recommend using the textbook *Genki: An Integrated Course in Elementary Japanese* by Eri Banno (Any Edition) [Sold on Online. Available on Amazon.com].

Course Objective/Brief Course Schedule:

Ensure that the students start speaking Japanese while feeling comfortable and challenged as they enjoy the lesson from the first day.
